Always
Words & Music by Jonathan Lewis, David Lewis & Wayne Lewis

Girl you are to me
all that a woman should be and I

dedicate my life to you always

love like yours is rare, it must have been sent from up above and I

know you'll stay this way for always.

we both know that our love will grow and forever it will be you and me.
Ooh, you're like the sun,
chasing all the rain away, when you come around you bring
VERSE 2:
Come with me my sweet
Let's go make a family
And they will bring us joy for always.
Oh boy I love you so
I can't find enough ways to let you know
But you can be sure I'm yours for always.
