Verse 3:
Every little thing that you have said and done
Feels like it's deep within me.
 Doesn't really matter if you're on the run,
It seems like we're meant to be.

As Long As You Love Me - 6 - 6
Gsus4  G  
I don't care who you are, where

C/E  Am
— you're from, what you did, as long

G  F
— as you love me. Who you are, where

C/E  F  C/E  Dm  G
you're from, don't care what you did, as long as you love me.

F  C/E  Am
Who you are, where you're from, what you did,
As long as you love me.

Bridge:

I've tried to hide it so that no one knows, but I guess it shows when you look into my eyes. What you did and where you're coming from, I don't care, as long as you love me, baby.
Chorus:

F               C/E             Am

- you are, where you're from, what you did, as long-

G               F               C/E

- as you love_me. Who you are, where you're from, don't care what

1. Am           G

- you did, as long as you love_me.

2. F            C/E

- you did, as long-

Dm              G               F               C/G

- as you love_me.

Am               Gsus4          G           F

As long as you love_me.
People say I'm crazy and that I am blind,

risking it all in a glance.

Verse 2:
How you got me blind is still a mystery.

Don't care what is written in your history
as long as you're here with me.

I don't care who...
AS LONG AS YOU LOVE ME
