'Cause I'll stand beside
you through the years; you'll only cry;
those happy tears. And though I'll make
mistakes, I'll never break your heart.
And I swear by the moon
and the stars in the sky.
I'll be there.
I swear, like the shadow

I'll be there. For better or worse, till death do us part, I'll love you with every beat.

of my heart, and I swear.
by the moon and the stars in the sky,
I'll be there. I'll be there. I'll be there. I'll be there. I'll be there.
like the shadow that's by your side, like the shadow that's by your side, like the shadow that's by your side, like the shadow that's by your side, like the shadow that's by your side,
better or worse, till death do us part, better or worse, till death do us part, better or worse, till death do us part, better or worse, till death do us part, better or worse, till death do us part,
Verse 2:
I'll give you ev'rything I can;
I'll build your dreams with these two hands.
We'll hang some mem'ries on the wall.
And when just the two of us are left,
You won't have to ask if I still care.
'Cause as the timer turns the page,
My love won't age at all.
