And watch - es the ships that go sail - ing; Some -
where beyond the sea He's there watching for me,

If I could fly like birds on high, then straight to his her

arms I'd go sailing. It's far beyond a

star, it's near beyond the moon, I know
beyond a doubt, my heart will lead me there soon.

We'll meet beyond the shore, we'll kiss just as before, happy we'll be beyond the sea and never again I'll go sailing. Some sailing.
